We provide direct financial assistance in the purchase of mobility equipment, wheelchair accessible modifications physical therapy and more.

## **Granting Policies:**

- Funding approval is valid for **6 MONTHS** from date of approval.
- The Application for Financial Assistance form must be submitted and approved prior to the equipment being ordered, purchased or services/programs received.
- Child must be a citizen or have permanent residency status in Canada.
- Child must be 18 years of age or younger.
- Family's combined gross household income must be \$70,000 or less.
- The family is responsible to order the equipment or schedule the service **AFTER** receiving our approval letter.
- If an invoice is received and the date of delivery is noted to be prior to our approval, then it does not meet our criteria; funding approval will not be granted and the family will be responsible for the full amount to the vendor.
- The level of funding assistance may vary based on the cost of the item and the availability of funds at the time the request is received.
- The ability to fund all eligible applications received is conditional on the availability of funds. Should there be insufficient funds at the time of the application, a waiting list will be employed.
- Payment is made to the vendor not the family.
- Respite workers must be over the age 18 and cannot be a family member.
- Applicants agree that the decisions of PCCC are final and that PCCC accepts no liability in such regard.
- Granting policies may be changed by PCCC at any time without notice.
